

Something old, something new

Antonio

Rua dos Negociantes No 3, Taipa,
+853 2899 9998

Those who remember Espaço Lisboa in Coloane will be happy to know that former owner Antonio Coelho has opened a beautiful new Portuguese restaurant in Taipa Village that is already becoming a favourite of government officials and discerning locals. The cosy interior of the old village house, refurbished with thick wooden beams, granite arches and azulejo tiles, makes an elegant setting that is reminiscent of Portugal but is particular to Macau. Among local Portuguese chefs, Antonio is distinguished by his use of the freshest ingredients and innovative dishes, such as gratinated goat's cheese with honey and acacia and olive oil appetiser. Open daily noon-3pm and 6pm-11pm
